

CHRISTOPHER KENT, D.C., J.D.

EDUCATION

A.A., Milwaukee Institute of Technology, 1970.

D.C. (Doctor of Chiropractic), Palmer College of Chiropractic, 1973

B.A., M.A. (Psychology), California Coast University, 1979/1980.

J.D., British-American University--School of Law, 2002.

CREDENTIALS AND LICENSES

Minnesota Basic Science Certificate, 1972

Diplomate, National Board of Chiropractic Examiners, 1973.

Licensed to practice as a Doctor of Chiropractic in the following states:

Iowa #4287 (Inactive)
New Jersey #MCO2664
Florida #CH2609
Georgia #2263
Michigan #2734 (Inactive)
Pennsylvania #DC-1963-L.
Colorado #3266

Licensed Attorney and Counselor at Law, State of California, Bar # 239373

Admitted as an attorney of the United States District Court, Southern District of California

SPECIALTY TRAINING AND MEMBERSHIPS

Academy of Chiropractic Philosophers (ACP), December 2020.

Certificate in Legislative Drafting for Democratic Social Change. Boston University School of Law. 2006.

Diplomate and Fellow, College of Chiropractic Imaging of the International Chiropractors Association, 1991.

Certificate-visiting fellowship in low-field MR imaging.
Toshiba/UCSF, 1990, 1991. Peter Rothschild, M.D., Instructor.

Certificate-visiting fellowship in magnetic resonance imaging,
Peninsula Imaging Center/Los Gatos MRI Center, 1989. Murray Solomon,
M.D., Instructor.

Diplomate, Academy of Chiropractic Radiology, 1986.

PROFESSIONAL MEMBERSHIPS

Foundation for Vertebral Subluxation

International Federation of Chiropractors & Organizations

International Chiropractic Pediatric Association

American Bar Association

Federal Bar Association

PROFESSIONAL EXPERIENCE

Director, Center for Scholarly Activity, Sherman College of Chiropractic. 2020--Present

Director of Evidence-Informed Curriculum and Practice, Sherman College of Chiropractic. 2016-2019.

Professor, Sherman College of Chiropractic. 2016-Present.

Member, Board of Trustees. Sherman College of Chiropractic. 2012-2015.

Owner, On Purpose, LLC. 2011-Present.

President, Foundation for Vertebral Subluxation. 2010-Present

Co-Founder, Chiropractic Leadership Alliance.

Chair, NGO (non-governmental organization) Health Committee, 2001-2002.
The NGO Health Committee is in Special Consultative Status with the Economic and Social Council of the United Nations (ECOSOC).

Member, Executive Board, NGO Health Committee, 2000-2007.

Representative to the Department of Public Information, affiliated with the United Nations. 1999-2008.

Member, Editorial Review Board, Journal of Vertebral Subluxation Research. 1996-present.

Member, Editorial Review Board, Journal of Clinical Chiropractic Pediatrics. 1996-1999.

President, Council on Chiropractic Practice. 1995-2008.

Member, Board of Directors, Council of New Jersey Chiropractors, 1993-1996.

Chairperson, College of Chiropractic Imaging of the International Chiropractors Association. 1991-1999.

Editorial Review Board, Chiropractic Research Journal. 1990-1996.

Continuing Education Faculty, Life Chiropractic College-West. 1990-.
Life Chiropractic College. 1991-. Cleveland Chiropractic College
1996-.

Associate Professor, Palmer College of Chiropractic-West. 1988-1990.

Vice President, Academy of Chiropractic Radiology, 1989-1990.

Director of Education, Advanced Chiropractic Seminars, Inc. 1983-1990.

Clinical Professor and Staff Doctor, Soma Institute, Gainesville,
FL. 1981-1982.

Academic Dean. ADIO Institute. 1979.

Assistant Professor of Diagnosis and X-Ray, Palmer College of
Chiropractic, Davenport, IA. 1977-1979.

Instructor of Microbiology and Pathology, Palmer College of
Chiropractic, Davenport, IA. 1974-1977.

Principal Investigator, Department of Research, Palmer College of
Chiropractic, Davenport, IA. 1976.

Item Consultant, National Board of Chiropractic Examiners, 1976-1981.

ACA Consultant to FDA Panel on Review of Neurological Devices, 1976.

Participant, NINCDS National Institutes of Health workshop on the
research status of spinal manipulative therapy, 1975.

President, Faculty Senate, Palmer College of Chiropractic, 1975.

AWARDS AND HONORS

Fellow, College of Straight Chiropractic (hon), January, 2017.

BJ Palmer Award. 50th Anniversary. Florida Chiropractic Society. 2015.

Life University Lifetime Achievement Award, 2007.

First place research paper. International Research and Philosophy
Symposium. Spartanburg, SC. 2007.

Larry Webster Lifetime Achievement award (Pediatric chiropractic), 2000.

Chiropractor of the Year, International Chiropractors Association,
1998.

Literary Achievement Award, International Chiropractors Association,
1998.

Distinguished Service Award, International Chiropractors Association, 1998.

Postgraduate Educator of the Year (with Patrick Gentempo, Jr.), International Chiropractors Association, 1996.

Distinguished Fellow, International Chiropractors Association, 1994.

Distinguished Service Award, International Chiropractors Association, 1992.

Chiropractic Researcher of the Year, International Chiropractors Association, 1991.

Presidential Award of Merit, Palmer College of Chiropractic-West, 1989.

Listed in Outstanding Young Men of America, U.S. Jaycees, 1979, 1981, 1984, 1988.

Listed in Who's Who in Chiropractic International, second edition, 1980.

Citation for "upholding the philosophy of chiropractic and the Palmer tradition," Student International Chiropractors Association, 1978.

Foundation for the Advancement of Chiropractic Research award, 1976.

Award for "outstanding leadership and devoted service" to the Palmer College faculty senate, 1975.

Member, Delta Tau Alpha honorary fraternity.

Cited for "superior clinical proficiency" while serving as intern in the Palmer College Clinic, 1973.

PUBLICATIONS AND PRESENTATIONS

BOOKS

Lead author of "Diagnostic Imaging" chapter in **Pediatric Chiropractic** text (Second Edition) edited by Claudia Anrig and Gregory Plaughter. Published by Wolters Kluwer. Lippincott Williams & Wilkins. 2013.

Chiropractic Insights self-published 2013.

Author of "Instrumentation and Imaging" chapter in **Somatovisceral Aspects Of Chiropractic: An Evidence-Based Approach**. Edited by Charles Masarsky and Marion Todres. Published by Churchill-Livingstone, 2001.

Lead author, **Case Studies in Chiropractic MRI** published by International Chiropractors Association, 1998. Co-authored by Leonard F. Vernon.

Lead author of "Diagnostic Imaging" chapter in **Pediatric Chiropractic** text edited by Claudia Anrig and Gregory Plaughter. Published by Williams and Wilkins, 1998.

Author of "Diagnostic Imaging" chapter in **Contemporary Chiropractic** text edited by Daniel Redwood. Published by Churchill-Livingstone, 1997.

Lead author, **The Documentary Basis for Diagnostic Imaging Procedures in the Subluxation Based Chiropractic Practice** published by International Chiropractors Association, 1992. Co-authored by Patrick Gentempo, Jr.
